 4. Climbing stairs and ladders to the work area
 5. Working overhead off ladder or scaffolding
 6. Manipulating hand and power tools while working overhead.
 7. Follow instructions and all policies of union and employer.

Working Conditions:

Sheet Metal workers are required to work in both indoors and outdoors with exposure to all weather conditions. Sheet Metal workers may be required to work out of town per the employer. Sheet metal workers are exposed to excessive noise from a construction site or fabrication shop.

Reliable transportation: Apprentices are responsible for having reliable transportation or their own means of transportation to get to and from the jobsite or shop and school. Apprentices are required to work in areas out of their hometown on several occasions. Typical work hours are usually 4–10-hour days, so you will be able to come home Thursday night. Contractors *may* require a **valid** Drivers License and Insurability as a Condition of Employment. Some contractors require a Seven (7) Year clean driving record.

Out of town work: Apprentices are required to sometimes work out of town, our jurisdiction is the entire state of New Mexico and western Texas. Most out of town jobs try to work a 4-10 work week, meaning 4–

Answering NO to the next 5 questions will not prevent you from entering the Apprenticeship Program. Some job calls require the following and failure to qualify will be automatic removal from jobsite and termination from company:

Many job calls may require a valid driver's license to operate company vehicles especially when it is a call with one journeyman and one apprentice. To qualify to drive a company vehicle, some insurance companies will not allow anyone with a DUI offense within the last Seven (7) years or under the age of 21 years old. Some job sites will require a background check to be allowed on site, this check will disqualify any individual who has been convicted of a felony and/or has a pending court case which is un-resolved at the time they are trying to be cleared to work on site.

- 1. Would you accept a job call requiring a valid driver's license? Yes _____ No _____
- 2. Have you received a DUI within the last Seven (7) years? Yes _____ No _____
- 3. Would you accept a job call requiring a background check? Yes _____ No _____
- 4. Would you be willing to work out of town? Yes _____ No _____
- 5. Would you be interested in a Pre-Apprentice position? Yes _____ No _____
